PROFILE

As a passionate UX/UI designer, I bring a unique blend of creativity and technical expertise to deliver exceptional user experiences. With a keen eye for design and a deep understanding of user-centric principles, I am dedicated to crafting intuitive and visually appealing interfaces that enhance user satisfaction.

PROJECTS

Taxiwala (June 2023 - Present)

Taliwala, a cutting-edge mobile application, is your one-stop solution for all your transportation needs within the vibrant state of Andhra Pradesh. With an unwavering commitment to simplifying the way you travel and explore. The client needed a easy to use app for renting and ride-hailing services.

Jersey Kulture (2023)

Jersey Kulture is an e-commerce website that sells athletic merchandise. It interface that ensures a clean experience. I was the Ux researcher and designer in this project. The client wanted a straightforward familiar design with a focus on smooth online transactions and a easy for bulk ordering.

Loan Credibility Software (2021)

The application streamlines and automates lending operations, enabling financial institutions to manage loans, payments, and reports efficiently. The software allows financial institutions to efficiently process loan applications by automating the application intake, verification, and approval processes.
